

West Islip Association Facilitates Meals for Local Families

On December 2, 2009, the West Islip Association held its monthly meeting at the West Islip Public Library. The first order of business was to present to Dan Monahan (the Church of Christ representative) the gift of dinner for 2 West Islip families. Mr. Monahan accepted, saying the meals were going to 2 families “who would not have had anything to eat this evening.”

Event coordinator Maria Figalora expressed the appreciation of WIA for the donation of the meals by the Oak Neck Deli.
